**Christmas Giving Program  
Shelter from the Storm—Union County**

Christmas is almost here! Shelter from the Storm is once again hosting our annual Christmas Families and Christmas store! "Christmas Families" are any of our families that have gone through a domestic violence situation within the past year. We want to ensure they can also enjoy a holly jolly holiday season. We are asking for any community members, families or organizations that may be interested in donating or "adopting" a family for the holiday season. We will have wish lists for families ready towards the end of November and into early December. We are also asking for new, unwrapped toys and/or other present ideas for various family members to be able to "shop" at our annual Christmas Store, which will be happening in December. Or, if you would rather, a monetary donation is always helpful for us to go and buy a few gift items for families to "shop". If you, your family, or organization is interested in adopting a Christmas Family or donating items or a monetary donation, please reach out to Shelter from the Storm.

**Wallowa County  
Elks Christmas  
Baskets and Tree of  
Giving**

A community effort is underway to ensure everyone in the County has a very Merry Christmas with a nice meal and gifts for the kids through the Elks Christmas Baskets and Tree of Giving.

Contact Mandy Decker or Sianna Williams for more information.

In addition, Les Schwab Tires is having their annual toy drive. Contact the store for more information.

**Have an Event Coming Up In December?**

Use EOCRN's **Event Feature** to list your event. The **Event Feature** is for **emergency** and **non-emergency** events.

Collecting items for families during December? Collecting toys for children on Christmas? Hosting a community dinner? All of these would be perfect for listing under non-emergency events.

With over 300 people on EOCRN, we can help get out the word out. Log onto <https://www.eocrn.org> and choose **EVENTS; NEW EVENT; SUBMIT EVENT** and fill out the form.
